

**Remarks**

In response to the restriction requirement mailed February 2, 2007, the Applicant hereby elects the Group I claims to be prosecuted by way of the present application. That is, Applicant elects claims 1-16 for prosecution in the present application, and the non-elected Group II claims (claims 17-20) and Group III claims (21, 22) are shown as "withdrawn" status on the attached listing of the claims.

The Examiner also required species election if Group I was elected, from the listed species (a) – (f). Applicant hereby elects species (e), the lip care formulation comprising a sun screening agent and a skin protecting agent. Applicant was directed to indicate which claims are readable on the species election, and Applicant submits that claims 1-5, 9, 11 and 12 do so.

This election is made **without traverse**. Applicant specifically reserves the right to seek patent protection for non-elected subject matter by divisional application.

The undersigned may be reached at: 770-587-8908.

Respectfully submitted,

MICHAEL S. BRUNNER
